## EDUCATION HISTORY

### Bachelor of Computer Science

Fakir mohan (autonomous) college,balasore

### Web Development

Youtube

## WORK EXPERIENCE

### Web Developer

March 2023 to August 2024

As a web developer, I have successfully completed several projects that showcase my skills in HTML, CSS, and JavaScript. One notable project is a comprehensive **project portfolio** website. This site was designed with a responsive layout. The portfolio showcases various projects and features smooth navigation, dynamic content loading, and an aesthetically pleasing design. I also developed a **calculator application**, This project involved creating a user-friendly interface and implementing the necessary logic for basic arithmetic operations. The calculator's design is clean and intuitive, ensuring a seamless user experience. Additionally, I built a **tic-tac-toe game** with HTML, CSS, and JavaScript. This interactive game includes features such as player turns, win detection, and a reset option. The project highlights my ability to create engaging, interactive applications with smooth gameplay and a visually appealing design.

## CERTIFICATES

### Web Developer

Bachelor of Technology

April 2030 - June 2030
